Dear Lisa,

Thank you for resubmitting the Domestic Homicide Review (David) for Central Bedfordshire Community Safety Partnership to the Home Office Quality Assurance (QA) Panel. The report was reassessed in December 2025.

It has been noted that the quality of the action plan has been greatly improved. The QA Panel felt it was positive that condolences were provided by the chair and CSP to the victim's family and noted the initial positive engagement with their father and daughter in the beginning of the process. They were also pleased that a public health/mental health specialist was a member of the panel providing valuable insight into the victim's experience of mental health and the links to domestic abuse.

This DHR can be published but please note the following final feedback.

- Please check the formatting of the Review Panel Members table at the top of page 12.

Once completed the Home Office would be grateful if you could provide us with a digital copy of the revised final version of the report with all finalised attachments and appendices and the weblink to the site where the report will be published. Please ensure this letter is published alongside the report.

Please send the digital copy and weblink to [DHREnquiries@homeoffice.gov.uk](mailto:DHREnquiries@homeoffice.gov.uk). This is for our own records for future analysis to go towards highlighting best practice and to inform public policy.

The DHR report including the executive summary and action plan should be converted to a PDF document and be smaller than 20 MB in size; this final Home Office feedback letter should be attached to the end of the report as an annex; and the DHR Action Plan should be added to the report as an annex. This should include all implementation updates and note that the action plan is a live document and subject to change as outcomes are delivered.

Please also send a digital copy to the Domestic Abuse Commissioner at  
[DHR@domesticabusecommissioner.independent.gov.uk](mailto:DHR@domesticabusecommissioner.independent.gov.uk)

I would like to thank you, the report chair and author, and other colleagues for the considerable work that you have put into this review.

Yours sincerely,

Home Office DHR Team
